

MATHCOUNTS INVITE

MATHCOUNTS provides an opportunity to explore the concepts behind Algebra & Geometry and to apply these concepts to challenging problems. Students work together during practices to explore math problems and problem-solving techniques. These practices are designed to prepare students for the regional competition in February, in which the top ten students will compete.

WHO:

Top 20 students in the school competition + students in Algebra and above

WHEN:

December through February, as fits student's schedule

<u>December</u>	<u>January</u>	<u>February</u>
12/16 5:30-8:00	1/06 5:30-8:00	2/01 3:25-5:00
12/19 3:25-4:30	1/13 5:30-7:30	
	1/22 5:30-7:30	
	1/27 5:30-7:30
