Graduation Notes

Class of 2019 Graduation

This year's recognition ceremony in honor of our graduates will be held on **Wednesday, June 5, at 5:30 PM**, in EAGLE School's **Elizabeth W. Conner Performing Arts Center** (the Auditorium).

No School on Wednesday for Grads

All graduates are awarded the luxury of staying home Wednesday morning, June 5; however, we look forward to seeing them later that evening at our recognition ceremony, when they and their families will be honored and appreciated for the wonderful contributions they have made to EAGLE School. (Special note: Eighth graders will receive their semester reports at graduation.)

Graduates Purchase A Piano

The Class of 2019 has generously contributed funds to purchase a piano for our music program. We extend a huge THANK YOU to our graduates and their families. Their gift will be appreciated and enjoyed for many years to come!

Congratulations!

Spelling Bee Standout

We congratulate Maya (4/B) on her stellar performance at the Scripps National Spelling Bee in Maryland last week! After spelling words correctly in the preliminary rounds and achieving a qualifying score on a written exam, Maya was the only Wisconsin speller to advance to the final round of the Bee, and, at 10 years old, was the youngest of the 50 finalists. This was her second time competing at the National Bee and first time advancing to the finals, where she tied for 41st place. We are so proud of you, Maya!

4th Quarter Wings Awards

These five students were honored with Wings Awards this morning. We thank them for the fine examples they set for all of us!

Leadership – Mari T.

Consideration – Megan B.

Creativity (Fine Arts) – Gianna G.

Creativity (Problem Solving) – Aharon S.

Citizenship – Kaitlyn D.

EPO Soarin' Awards

Congratulations and many thanks to the following parents/grandparent who received Soarin' Awards from the EAGLE Parent Organization. The EPO is extremely thankful for these rockstar volunteers!

Ron Heinrich has been a stalwart in the lunchroom, volunteering biweekly ever since his family arrived at EAGLE. He has accumulated over 85 lunch volunteer hours and is noted for always being available in a pinch.

Christy Gartler has also been a steadfast presence at lunch, volunteering weekly or biweekly ever since her family came to EAGLE. She has logged over 170 volunteer hours in the lunchroom alone! Also, she's often seen helping out in her children's classrooms, including in science and in the Nest.

Marj Cuthbert wears many hats at EAGLE. She has volunteered in Jane's Nest classroom every week, sometimes twice a week, for five years, and she's willing to do whatever is needed. Marj has only missed one scheduled volunteer shift ever for illness! When she's not working in the Nest, she assists with other classes and events, whether it be with Darlene in music, helping the Intermediates' with their Asia museum, or supervising students during Picture Day.

More Honors and Awards

Check out the attached listing of students who were recognized at our all-school assembly. We commend them for their outstanding level of participation and sincerely congratulate them on their dedication and hard work!

Thank You!

Special Lunches Helped Many

Parents of the eighth graders who went to Washington Workshops did a great job of coordinating this year's weekly hot lunch orders. Their efforts helped defray the expenses of the trip and gave many families a break from packing lunches. We extend our sincere appreciation to the following hot lunch assistants: Susan Little (food vendor liaison); Moira Fitzgerald, Christina Kendzioriski, Lailah Shima, & Jan Weaver (lunch supervisors); Mukta Nandwani (volunteer coordinator), and Teresa Foust (shopping). Special thanks to the many parent volunteers and student helpers who kept things running smoothly, and to all who placed orders and regularly contributed to this popular fundraising program.

Day Away Chaperones

It takes a lot of volunteers to accompany our entire student body on all-day field trips! Thanks in advance to the following parents for chaperoning our Day Away adventures: Sara Finesilver, Sara Goldstein, Sarah Benish, Graham Jonaitis, Curtis Rueden, Sara Bembenek-Saborio, Lisa Penning, Jennifer Hassrick, Claire Feith, Jennifer Pruitt, Rick Abegglen, Sukhi Gill, Ari Rajagopal, Matt Thiel, Terra Theim, Miguel Leal, Rick Abegglen, Irene Ong, Guelay Bilen-Rosas, Sean Bina, Andy Cunningham, Katie Gustavson, Mark Hessman, Shawn Shadman, Gursharan Singh, & Chris Eggert. We hope you have a great time!

General Information

Semester Reports

Semester reports will be distributed to students before dismissal on Wednesday. We hope that parents and students will find an opportunity to read the reports together and reflect upon the challenges and triumphs of the past semester.

Return Books, Fees, and Registration Forms

Check your backpacks, home, car, etc. for EAGLE library and classroom books! Please note that semester reports will be held in the Main Office until all books are returned or replacement fees paid. In addition, building and field trip fees, Study Club fees, as well as all registration forms must be submitted before reports will be released.

Leaving EAGLE? Download Your Google Drive

If you are graduating or leaving EAGLE, you will likely want to save many of the products you have stored on Google Drive. You must do this by August 1st. To accomplish this task, you will need to download your files from your account, either as a "hard" copy on your computer, or to later re-upload to your personal Google account. DO NOT simply share your documents with another account, as they will still be deleted on August 1st along with the account that created them. Need help downloading? [Click here.](#)

2019-20 School Calendar

A copy of next year's calendar, initially released in February, is being forwarded with this newsletter. Please note that our orientation morning for all Nest, Primary, and new students will take place on Monday, August 26, and the first day of classes for all students is Tuesday, August 27. More information about orientation will be emailed to families later in the summer.

Lost & Found – Last Chance to Claim Items!

Missing a jacket, a book, a lunch box, or a water bottle? If so, check out the EAGLE Lost & Found on the first floor near the Commons. We have many sweatshirts, winter coats, pairs of boots, hats, gloves, and much more. Don't delay; all unclaimed items will be boxed up for donation on Wednesday.
