

FTC Robotics Team 2019-20

Are you curious about robotics, both the technical skills and the hands-on experience? The EAGLE team will spend time with various mechanical engineering and computer science aspects of robot building and work towards the competition December through February.

WHO: 7th and 8th graders at EAGLE School

WHEN: Fridays, 3:25-5:25, September 13 to February 28 (tentative)

(no meetings when no school)

Attendance will be taken. If your child will be absent, please email robotics@eagleschool by 3:10 on meeting day.

Interested students and parents are invited to learn more about the FTC challenge and game reveal at the Qualcomm Season Kickoff on Saturday (9/7), time TBD, projected in EAGLE School Commons.

WHERE: Commons; pick up at back circle near playground.

Note: as the season progresses we might need to meet more often and outside school (mainly at Badgerbots or coaches' homes)

COACHES: Parents Ravi Karonde (coach) and Lynn Kramer (assistant coach)

COST: \$300 for entire season

Please return this portion with payment attached (\$300.00 payable to EAGLE School) to the Reception Office basket ASAP and no later than Thursday, September 12.

Student name _____ Unit _____

Parent email address and best phone during Robotics: _____

Parents are welcome to assist at meetings – no robotics experience needed. Please describe how you can help (snacks, team communication, and supervision):
